Dear Ms. ^{Honey}Leveen.

Thank you for participating as a speaker and consultant in the recent Caregiver Seminar entitled **Caregiver Issues: Legal and Financial Matters**, sponsored by the University of Texas-Houston Center on Aging, Memorial Geriatric Evaluation and Resource Center, and Memorial 55+. Your presentation on long-term care insurance matters coupled with your professional expertise in that field contributed significantly to enhancing participants' knowledge base about existing insurance options in eldercare planning.

Thank you for your time and effort, Honey. We, no doubt, will call on you again as a speaker in the near future.

Sincerely,

Anke Runge
