Dear Ms. Leveen:

We are very pleased with community members' interest in the **Caregiver Seminar Series**, sponsored by the Memorial Geriatric Evaluation and Resource Center and the University of Texas-Houston Center on Aging. We are delighted with the overwhelmingly positive response to the recent seminar **Caregiver Issues: Legal and Financial Matters**, and sincerely appreciate your participation as a consultant in this collaborative effort.

Thank you for your willingness to volunteer your time in providing program participants with information on long-term care insurance.

Sincerely,
