Dear Honey,

On behalf of the Mainland Association of Insurance and Financial Advisors, I would like to thank you for taking time from your business to present a great program to us. Your concepts of Long Term Care are one of the most informative and creative programs that we have ever had.

I loved your presentation style, passion, and enthusiasm. It is no wonder why you have been so successful. My interest was held and the time went by so fast. I only wish we had more time.

I look forward to your visit again and perhaps holding a C.E. class for our association. Thanks again and I hope to see you soon.

Sincerely,

Art Cavazos,  
President, M.A.I.F.A
