Honey,

Thank you so much for coming to Nacogdoches to speak to our Association members about Long Term Care insurance.

It was not only a very informative presentation, but very interesting. The way you allowed our members to interject and ask questions I believe was very beneficial and allowed you to provide the information that was truly wanted and needed.

I am also forwarding to you a small gift as a token of our appreciation for your time spent away from your family and business. Thank you again.

Sincerely,

A handwritten signature in cursive script that reads "Marion Reeves".
